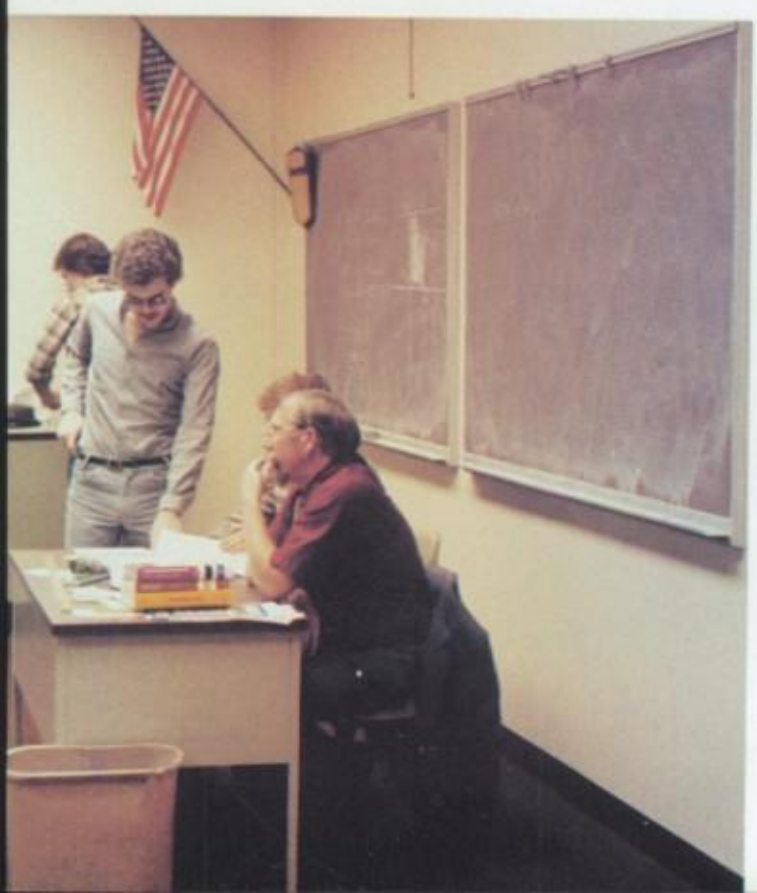
Reflections . . .



The theme of the 1984 FOHIRAB is REFLECTIONS. Students, faculty, staff, the administration . . . we are all Fostoria High School. We reflect the essence of the school. We cheer the good times, we scorn the bad. We study, we work, we play, we laugh, we cry. The following pages are a reflection of the school year 1983 - 1984 at Fostoria High School. They are a reflection of us all.

10-0, Leads To State

For the seventh straight season Coach Dick Kidwell has given Fostoria Redmen a victorous season with a 10-0 record and a chance at the state play-offs.

This continual tradition of success can be attributed to many things. Long hours of dedication by coaching staff and players. But the main reason for success was the outstanding leadership provided by the seniors.

The Redmen's domination of the regular season is best illustrated by it's offensive point total (391) and it's total points allowed (42).

The Redmen stopped their opponent with a defense led by Seniors Greg Trumpler, Chris Hoover, Brian Biles, Mark Millie, and Steve Glenn to name a few.

The offensive team was led by Seniors Guy DeMars, Chris Hoover, Dan Hampton, and Jim Norman. Make no doubt about it though alot of the Redmen offensive success can be attributed to it's big powerful offenseve line, providing great protection and opening gaping hole in the Defense.

Enthusiam Cheerleaders Key

ENERGETIC, SPIRITED, PEPPY, VERSATILE, ENTHUSIASTIC.

These are only a few of the words that describe our 1983 football cheerleaders. From the hot nights of those first games to the quite chilly ones at the end of the season, these girls gave it their all to raise spirit.

During the summer, they competed at a U.S.C.A. camp along with the basketball cheerleaders. They received a 4th place award overall, and 3rd and 4th place individual awards went to Seniors Lori Folkwein and Suprena Baker.

Besides having the responsibility of cheering at all football activities, they had to organize pep rallies, decorate lockers, make scrapbooks, and keep school poirit up to lead to a G.L.L. Championship.

Cheerleaders Spirit Matches Teams Season

All the way to the district playoffs, the 1984 basketball cheerleaders knew that this year's team was really outstanding. The girls started getting ready for the season early in June when they competed at the U.S.C.A. Camp with the football cheerleaders. Overall the group received a 4th place, and a 5th place individual award went to Junior Wendy Hickle, along with these accomplishments, the cheerleaders were awarded the G.L.L. Spirit Award.

To keep Spirit up through the season, there were many responsibilities. The girls had to organize pep rallies and Winter Festival, paint signs for the gym and commons, decorate lockers and make a scrap book for their "secret basketball players."

Varsity Cheerleaders: Wendy Hickle, Debbie Myers, Glenda Kenner, Hope Ann Kau man, Shannon Wolf, Tacey Reed, Sandy Stinehart.

Lady Redmen Build For Future

The Lady Redmen Basketball team faced a season in which tough competition led to their growth as a unit. Though their record was only 5-15 they will return 5 very talented members from this years team. With this core of talented ladies returning and with the help of some key reserve players, Coach Jim Bailey expects a more successful campaign next year. The junior varsity team coached by Yvette Anez showed steady improvement during the year. They gained needed experience and are looked upon to fill some spots on the varsity level.

Special award winners at the winter sports banquet were Brenda Cousin, Blockout Award, Trina Montgomery, Most Improved Player, Tina Reese, Lady Redmen Award, and Francine Kimble, Booster Award.

OFFICE WORKERS, TEACHER AIDS

This years office worker staff was a group of students that aided the admnistration and secretaries in the management of the main office. Jobs such as filing papers, typing forms, making copies, delivering absence lists and running errands were just a few of their tasks. Office workers are expected to maintain an acceptabel grade point average as well as conduct themselves in a business like manner.

Teacher aids are very similar to office workers in that they take on jobs for the teacher that would otherwise keep the educator from their main task of teaching. Some of these jobs include grading tests and papers, preparing bulletin boards, running errands and other odd jobs. Students selected as teacher aids are done so because of their trustworthyness.

Among some of the staff duties were advertisement and yearbook sales, organizing senior personality votes, taking pictures and writing stories. This years staff consisted of seventeen members but they also received alot of help from Dan Henley of Doc's Photography and two students not on the staff Deena Sprau and Tony Wilson.

HOMECOMING

Although rain fell heavily during homecoming week, the homecoming activities still continued at a spirited pace. The pep rally continued the tradition of class competition. (relays ect.) and the awarding of the spirit stick. Festivities did not stop there, game time brought the parade of homecoming attendants from all classes, cheerleaders and special guest Clayton Moore. Chris Beach was crowned Homecoming King and Lori Folkwein was crowned Homecoming Queen, the two of them presided over the court as the Redmen rolled to it's seventh straight victory of the season 44-0 over Lima Central Catholic.

Saturday brought with it the Homecoming dance and its theme of "Up, Up and Away" chosen by the student council. With this theme came a variety of decorations such as streamers, posters, and balloons. Though, dampened by rain, the 1983 Homecoming was an event to remember.
